

EAST ARLINGTON   
**Livable Streets Coalition**

November 12, 2009

Dear East Arlington Business Owner,

The East Arlington Livable Streets Coalition would like to thank you for your generous donation to our “Livable Streets for East Arlington” event at the Capitol Theater last Wednesday evening. The event was a great success with over 80 people attending. The business community in East Arlington was very well represented with over \$250 worth of raffle items donated by ten local businesses. Many people were excited to see the displays and menus given by local businesses and, with the raffle items being so popular, we were able to completely defray the cost of the event. Our group of over 150 local residents is committed to making the Capitol Square a vibrant, people oriented, business district and we will urge them to patronize local businesses in the upcoming holiday season.

Sincere Thanks,
